October 30, 2007

Palm Bluff Car Wash
7213 N. Ingram Avenue
Fresno, CA 93711

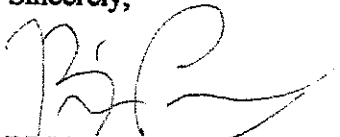

Dear Friends at Palm Bluff Car Wash:

My office and the *2007 Orchid Awards* Committee are pleased to announce that your commercial structure was nominated for a District 2 *Orchid Award* in the *Commercial Architecture* division. The *Commercial Architecture* category recognizes any office or commercial projects, including any multi-family developments, in District 2 that present an extraordinary example of pleasingly aesthetic architecture. For more information, please visit our city website at <http://www.fresno.gov> and type in the keyword "Orchid" in the 'Search' box at the top of the page.

We received many excellent nominations for these awards and, as you can imagine, the decision of the judges was difficult. Although you were not chosen to be the recipient of a *2007 Orchid Award*, you can be proud of the fact your commercial establishment was selected as a finalist in this category. Please consider nominating your business, or other businesses in Northwest Fresno, for next year's *Orchid Awards*.

Please accept our heartfelt congratulations on receiving this honor for your beautiful commercial structure.

Sincerely,

BRIAN CALHOUN
Councilmember, District 2
